

*It's new
... it's exciting*

Here is a champion radio to bring new enjoyment into your home—a new, exciting Radiola giving wider range, clearer reception and tone as true as it comes from the studio. You will be delighted with the smart and modern moulded plastic cabinet with large, easily read and well illuminated dial. Other handy features include provision for attachment of record player or additional loudspeaker and a power socket where you can plug in an electric clock or table lamp. For really superior radio entertainment hear the new A.W.A. Radiola "Champion 5." Any Authorised Radiola Distributor will be very proud and pleased to show it to you.
