

YOUR MOVE

towards full enjoyment and entertainment

... and the move is obvious when the best available costs no more. Radiola offers you the finest range of the finest sets, whether you seek the intimacy of the portable or the grace and distinction of the A.W.A. Radiogram.

RADIOLAGRAM 542GA
World-range Radiogram, 3-speed automatic record changer with "panchromatic stylus" minimizing surface noise and record wear. Abnormally large baffle area provides outstanding tone. Storage space for 200 records. Available in three genuine woods—walnut, mahogany or blonde.

TABLEGRAM 541GA
Table Radiogram in attractive wooden cabinet. Exclusive A.W.A. 3-speed record player. Superb tone. The perfect radiogram where space is a factor.

RADIOLA PORTABLE 545P WITH "RE-ACTIVATION"
Receives stations beyond range of ordinary portables. "Re-activates" its batteries—giving them an appreciably longer life. Operates on Battery or Electric power. Battery saving on local stations. "Golden Throat" tone system. Deluxe handle for easy carrying.

PORTABLE 647P WITH "RE-ACTIVATION"
This portable in appearance and operation is exactly similar to the "Re-activation" Portable 545P but has an extra valve and slightly larger "A" battery—giving still greater range.

MANTEL MODEL 539MA/540MA
A 5-valve mantel (539MA Broadcast, 540MA Dual Wave). Ideal for the bedroom, kitchen, verandah... beautifully styled in a moulded plastic cabinet. Delightful tone. Easy tuning.

MANTEL MODEL 532MF/534MB
Model 532MF—for 32 volt house lighting plants—model 534MB for wet-cell battery operation. Dual wave, quality moulded cabinet—long range reception.

DUAL WAVE PORTABLE 453P
A 5-valve, world-range portable—outstanding in performance and reliability. Rugged and hand-some case. Economical operation. Ideal for country districts.

PERSONAL PORTABLE 450P
Little bigger than a camera—weighs only 5 lbs. complete with batteries. Plenty of pep and power from efficient batteries bringing in stations clear and strong. Walnut, burgundy or ivory.

A.W.A. serves the nation on land, sea and in the air, and none can serve you better in your home...
