Grundig G2000A AM/FM/SW Radio Design by F.A. Porsche

For decades the name Grundig has epitomized technical artistry in European consumer electronics. Now Grundig has joined forces with the prestigious design firm of F. A. Porsche to produce a Palm-Sized world band radio of elegant sophistication. Inspired by the legendary Porsche 911, the Grundig worldband exhibits the same purity of line that has made the 911 a timeless classic. And with its smoothly recessed speaker grill and deeply sculptured buttons, this G2000A is a pleasure to operate.

Sensitive handling - Listen to sports and talk radio on AM; soothing stereo on FM; or fascinating shortwave from around the world. "Meter" button lets you select all 13 international shortwave bands from 2.3-26.1 MHz.

Digitally synthesized PLL tuner delivers precise tuning. As a result you can listen to broadcasts from exotic foreign capitals such as London, Rome, Berlin, Havana Moscow and Tokyo without getting clobbered by interference from adjacent stations.

Choose from scan, manual tuning, 20 programmable memory locations or keypad frequency entry to find the precise station. With Quartz dual-alarm clock, sleep timer, headphones, and leather protective case, the G2000A makes an ideal traveling partner - and an indispensable source of entertainment, sports, news, and insight into foreign affairs.
