

The image contains three technical drawings of mechanical components, arranged vertically. Each drawing is a perspective view of a cylindrical body with various ports and a central valve assembly.

- Top Drawing:** Labeled "T4-OSC RANGE B10" on the left and "443-117" on the right. It shows a cylindrical body with a central valve assembly featuring a handle. There are four ports on the top surface, labeled 1, 2, 3, and 4. There are also two ports on the side, labeled 5 and 6.
- Middle Drawing:** Labeled "T3-INT RANGE B10" on the left. It shows a similar cylindrical body with a central valve assembly. There are four ports on the top surface, labeled 1, 2, 3, and 4. There are also two ports on the side, labeled 5 and 6.
- Bottom Drawing:** Labeled "T1-INT RANGE D" on the left. It shows a similar cylindrical body with a central valve assembly. There are four ports on the top surface, labeled 1, 2, 3, and 4. There are also two ports on the side, labeled 5 and 6.
