

PHILCO RADIO-CLOCK MODELS 52-543, 52-545, 52-547, AND 52-550

Models 52-543, 52-545, 52-547, and 52-550 are electrically similar to Model 52-544, but they are housed in different style cabinets, and incorporate certain circuit refinements over Model 52-544.

The following diagrams and the Service Information are for Models 52-543, 52-545, 52-547, and 52-550 only.

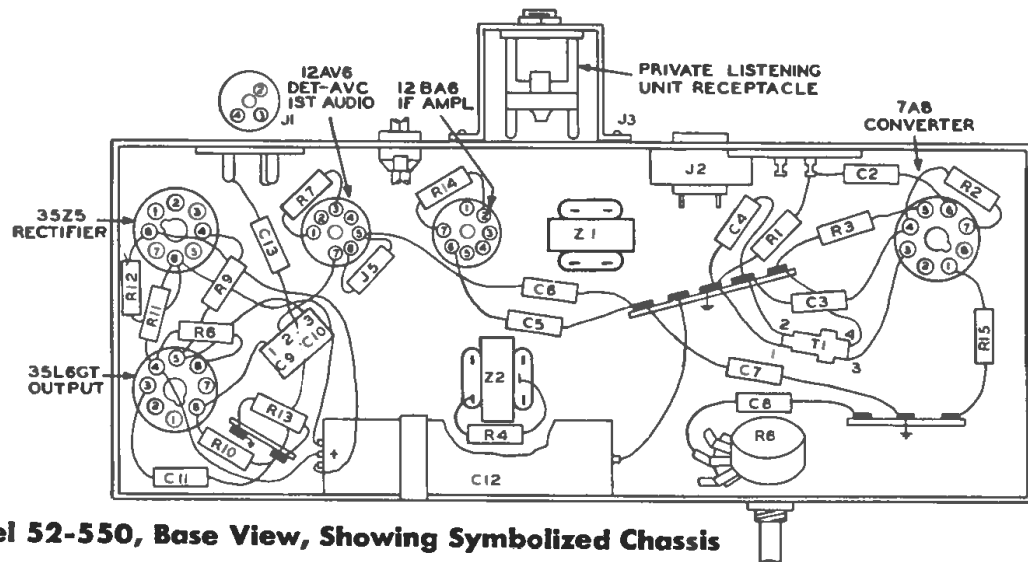

See page 97 for material on Philco Model 52-544.
